
**LIMITED LICENSE LEGAL TECHNICIAN – FAMILY LAW
CONSULTATION AGREEMENT**

I understand and agree as follows:

My appointment is for a consultation with a Limited License Legal Technician (LLLT) regarding my family law matter. The purpose of this consultation appointment is for the LLLT to obtain relevant facts about me, and my particular legal needs based upon the information I provide, to review my legal options, and to discuss the scope of the LLLT's services and fees. A Limited License Legal Technician is **not a lawyer and may only perform limited legal services**.

The client will only pay the regular hourly rate of \$150 per hour for the consultation even if the appointment exceeds one hour. Any subsequent appointments shall be billed at the LLLT's regular rate of \$ 150.00 per hour.

Upon my request, the LLLT shall provide me with any documents submitted by me to the LLLT.

An LLLT has a duty to protect the confidentiality of information provided by me and the LLLT's work product associated with the services sought by me or provided by the LLLT. The LLLT cannot discuss my matter with others, including the scheduling of appointments, confirmation of receipt of documents, etc. I agree to provide the name of the opposing party in my family law matter to the LLLT for the purpose of running a conflict check prior to my appointment being scheduled. I understand this policy is for my protection.

I UNDERSTAND AND AGREE to the terms of the above Consultation Agreement. My signature on this agreement does not create a contract for future legal services.
